

PREMIER CLASS / EXECUTIVE CHAIR

CHN1000

The CHN1000 executive chair series combines several special features for total harmony. It offers a tilting mechanism, high-quality natural leather, quality stitching, and a beautiful color contrast between chrome and black to provide you with optimum convenience and ample satisfaction.

1. The comfort of the CHN1000 series originates from its tilting mechanism's novel concept. The backrest and seat are divided into two parts, allowing user's knees the maximum freedom for movement.
