

PREMIER CLASS / EXECUTIVE CHAIR

FX

— — — — — The FX chair is an ideal conference chair for the senior executive. The simple and slim square look, restrained formality, luxurious urethane synthetic leather and chrome-plated finish will dignify any conference room setting.

1. The angular cornered frame and the armpad assembled without bolts maximize the square image of the chair.
2. The perforated pattern in the urethane artificial leather creates a soft look to the chair.
