

CONFERENCE SYSTEM / CONFERENCE CHAIR

INVITO

— — — — — An ergonomic seat cushion is combined with elastic padding for visual and tactile appeal and comfort. The fashionable ZENON executive chairs give a luxury feel to an office environment.

1. The integrated armrests and seatback offer a distinctive look and great comfort, helping to make communication easy and natural. Natural leather finish provides a high-class feel.
2. The knee tilt function improves your seated comfort. The automatically returning cylinder and gliders ensure that the chairs are neatly aligned after every use. The chair comes in "high-table" and "low-table" types to accommodate any meeting or reception requirement.
